CHAIRMAN'S REPORT

For the financial year ending 31 December 2012 the Trust distributed \$338,300 to ex-service organisations for the amelioration of Western Australia's ex-service personnel and their dependants. This represented an increase of \$28,300 on the amount distributed in 2011.

The Trust received fifteen applications for assistance. The Returned and Services League and Perth Legacy, Western Australia's two major ex-services organisations, continue to receive requests for assistance that far exceed their available resources. Applications for financial assistance in 2012 totalled \$507,658.

The Trustees met on 5 December 2012 to formally consider the applications for financial assistance and to recommend on the distribution of the available funds.

In accordance with sub-section 10(3) of the *Anzac Day Act 1960*, the Trustees' recommendations were approved and the sum of \$338,300 was disbursed to the organisations as detailed in Note 2 to the financial statements.

On behalf of my fellow Trustees and, more importantly, the beneficiaries of the Trust, I sincerely thank the Government for its continued financial support.

ANZAC DAY TRUST FUND

The Anzac Day Trust Fund is established under Section 10(1) of the *Anzac Day Act 1960* (the Act) and, subject to the Treasurer, is administered by the Trust constituted under the provisions of the Act.

The Act requires that the following shall be paid into the Treasury to the credit of the Fund:

- (a) all moneys paid to the Trust pursuant to the provisions of Section 5 of the Act;
- (b) all moneys paid to the Trust pursuant to the provisions of Section 7 of the Act; and
- (c) all donations, devises and bequests made to the Trust.

State Government assistance to the Anzac Day Trust Fund has been in the form of an annual grant since 1996 and this arrangement replaced the previous methods of funding.

With regard to (a) and (b), Section 5 of the Act provides for the whole of the net proceeds derived from race meetings held in the metropolitan area on Anzac Day, and 60% of the net proceeds derived from country race meetings to be paid to the Trust; and Section 7 of the Act provides for 60% of the net proceeds of "defined" sporting activities held anywhere in the State on Anzac Day to be paid to the Trust.

THE ANZAC DAY TRUST

Report on the Financial Statements

I have audited the accounts and financial statements of The Anzac Day Trust.

The financial statements comprise the Statement of Financial Position as at 31 December 2012, the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes comprising a summary of significant accounting policies and other explanatory information.

Trustee's Responsibility for the Financial Statements

The Trustee is responsible for keeping proper accounts, and the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards and the Treasurer's Instructions, and for such internal control as the Trustee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

As required by the Auditor General Act 2006, my responsibility is to express an opinion on the financial statements based on my audit. The audit was conducted in accordance with Australian Auditing Standards. Those Standards require compliance with relevant ethical requirements relating to audit engagements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Trust's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the Trustee, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements are based on proper accounts and present fairly, in all material respects, the financial position of The Anzac Day Trust at 31 December 2012 and its financial performance and cash flows for the year then ended. They are in accordance with Australian Accounting Standards and the Treasurer's Instructions.

Auditor's Responsibility

As required by the Auditor General Act 2006, my responsibility is to express an opinion on the controls exercised by The Anzac Day Trust based on my audit conducted in accordance with Australian Auditing and Assurance Standards.

An audit involves performing procedures to obtain audit evidence about the adequacy of controls to ensure that the Trust complies with the legislative provisions. The procedures selected depend on the auditor's judgement and include an evaluation of the design and implementation of relevant controls.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the controls exercised by The Anzac Day Trust are sufficiently adequate to provide reasonable assurance that the receipt, expenditure and investment of money, the acquisition and disposal of property, and the incurring of liabilities have been in accordance with legislative provisions during the year ended 31 December 2012.

Notes to the Financial Statements

NOTE 1: Australian Accounting Standard

General

The Authority's financial statements for the year ended 31 December 2012 have been prepared in accordance with Australian Accounting Standards. The term 'Australian Accounting Standard' refers to Standards and Interpretations issued by the Australian Accounting Standards Board (AASB).

The Authority has adopted any applicable, new and revised Australian Accounting Standards from their operative dates.

Early adoption of standards

The Authority cannot early adopt an Australian Accounting Standard unless specifically permitted by TI 1101 *Application of Australian Accounting Standards and Other Pronouncements*. There has been no early adoption of Australian Accounting Standards that have been issued or amended (but not operative) by the Authority for the annual reporting period ended 31 December 2012.

(a) General Statement

The Authority is a not-for-profit reporting entity that prepares general purpose financial statements in accordance with Australian Accounting Standards, the Framework, Statements of Accounting Concepts and other authoritative pronouncements of the AASB, as applied by the Treasurer's Instructions. Several of these are modified by the Treasurer's Instructions to vary application, disclosure, format and wording.

The *Financial Management Act* and the Treasurer's Instructions impose legislative provisions that govern the preparation of financial statements and take precedence over Accounting Standards, the Framework, Statements of Accounting Concepts and other authoritative pronouncements of the AASB.

Where modification is required and has had a material or significant financial effect upon the reported results, details of that modification and the resulting financial effect are disclosed in the notes to the financial statements.

(b) Basis of Preparation

The financial statements have been prepared on the accrual basis of accounting using the historical cost convention.

The accounting policies adopted in the preparation of the financial statements have been consistently applied throughout all periods presented unless otherwise stated.

The financial statements are presented in Australian dollars and all values are rounded to the nearest dollar.

(c) Reporting Entity

The reporting entity comprises the Authority.

(d) Income

Revenue recognition

Revenue is recognised and measured at the fair value of consideration received or receivable. The following specific recognition criteria must also be met before revenue is recognised for the major business activities as follows:

Interest

Revenue is recognised as the interest accrues.

Service Appropriations

Service Appropriations are recognised as revenues at fair value in the period in which the Authority gains control of the appropriated funds. The Authority gains control of appropriated funds at the time those funds are deposited to the bank account or credited to the 'Amounts receivable for services' (holding account) held at Treasury.

Grants, donations, gifts and other non-reciprocal contributions

Revenue is recognised at fair value when the Authority obtains control over the assets comprising the contributions, usually when cash is received.

Other non-reciprocal contributions that are not contributions by owners are recognised at their fair value. Contributions of services are only recognised when a fair value can be reliably determined and the services would be purchased if not donated.

(e) Cash and Cash Equivalents

For the purpose of the Statement of Cash Flows, cash and cash equivalent (and restricted cash and cash equivalent) assets comprise cash on hand and short-term deposits with original maturities of three months or less that are readily convertible to a known amount of cash and which are subject to insignificant risk of changes in value, and bank overdrafts.

(f) Comparative Figures

Comparative figures are, where appropriate, reclassified to be comparable with the figures presented in the current financial year.

THE ANZAC DAY TRUST

PERFORMANCE INDICATORS for the year ended 31 December 2012

The principal duty of the Trustees is to ensure moneys standing to the credit of the Fund are disbursed and are to be used for the purposes specified in Section 10(3) of the *Anzac Day Act 1960*.

The limited scope of the activities of the Trust do not justify the development of sophisticated performance indicators. The relevant performance indicators used were:

1. The extent to which the funds available to the Trust were distributed.

This indicator is a measure of the distribution of funds available to the Trust at the date of the annual meeting of the Trust :

2012	2011	2010	2009	2008
99.99%	99.99%	99.99%	100.00%	100.00%

2. The extent to which the funds available were distributed for the purposes specified by the Act.

Funds were disbursed to service organisations with the stated purpose of expending funds for the amelioration of ex-servicemen and women and the housing of them. None of these organisations has reported as having received an adverse audit opinion issued on their disbursement of Funds received from the Trust.

Certification of Performance Indicators

We hereby certify that the above indicators are based on proper records, are relevant and appropriate for assisting users to assess The Anzac Day Trust's performance; and fairly represent the performance of The Anzac Day Trust for the financial year ended 31st December 2012.
